

XM SATELLITE RADIO IS THE BEST INNOVATION IN BROADCASTING IN A LONG, LONG TIME. IT IS GOOD TO SEE PROGRESSIVE PEOPLE USING THE LATEST TECHNOLOGY AVAILABLE TODAY. NEWS, WEATHER, TRAFFIC, AND MANY FORMS OF ENTERTAINMENT ARE AVAILABLE. THE VERY BEST THING IS YOU CAN LISTEN COAST TO COAST WITH NO LOSS OF THE BROADCAST. UP TO THE MINUTE TRAFFIC INFORMATION IS A VERY VALUABLE RESOURCE IN OUR MAJOR METROPOLITAN AREAS. THE WEATHER UPDATES MAKE TRAVELING EASIER ALSO. TRAVELING THROUGH THE MIDWEST DURING THIS VERY SEVERE TORNADO SEASON, A TRAVELER CAN BE UPDATED BY THE MINUTE ON SEVERE WEATHER CHANGES.

XM RADIO THS MADE TRAVELING BY CAR MUCH SAFER AND MORE ENJOYABLE THAN EVER BEFORE!

THANK YOU.
